

## BUSY BUMBLES NEWSLETTER – BURNHAM TERM 3 2016

### WELCOME

With Spring just around the corner, our children and staff are starting to look forward to the upcoming school holidays. Let's hope for some good weather!

Our recent staff scavenger hunt was a great success. Everyone got into the spirit and had an absolute blast! As you will see from photographs, we have some great sports on our team. The bumble bee onesies were a highlight! I was so impressed by the team spirit and enthusiasm the Busy Bumbles staff showed. They are the best!

Our venues raised \$216 for Shine from parent donations, which was wonderful! Busy Bumbles also made a donation at our Scavenger hunt. Thank you so much to all of you who showed your support, it was very much appreciated by the team at Shine and Busy Bumbles. We certainly plan to make our scavenger hunt an annual event!

We have some great activities planned for the rest of the term. Don't forget to have a look at the term time overviews, which are displayed at our venues. 😊

Keep warm and enjoy the rest of the term everyone.

Warm regards

## WHATS BEEN HAPPENING

We kick started term 3 with googly eyes and giant popsicles! We enjoyed Mini Beast week and had a blast searching spaghetti for bugs, YUCK!! So much messy fun for the children, which they all love. The spider web game was enjoyed by all, followed by Feather, Fur and Hair week. We balanced our way through the hair weave and there was lots of Laughter during the tickly feather game. Now as we approach mid- term, Spy week is upon us with diffusing bombs, secret codes and training in the hall. Yes, busy bees we have been and continue to be! 😊

Movie day has been a success this term. Every Thursday we have a day to relax, eat popcorn and watch a movie with a theme for the week.

Congratulations to the children who have been star of the week this term. Remember to check the photo board, as the star of the week bees move around. It could be your child. 😊

## HOLIDAY PROGRAMME

Another fun 2 weeks was had by all at the recent Holiday Programme. The first week was filled with crafts, a café trip and a most exciting outing to inflatable world, which was so much fun! What an amazing second week we had! Giant games were a huge success, as we all became pac man running away from the ghost! Giant Jenga and Tic Tac Toe was so much fun.

We then went on an outing to a Pinocchio performance the following day. It was AMAZING! A live show where the children could interact with the actors. Think like a scientist day was great. The children were all intrigued with this day! Did our reflection disappear? That's a question for your children.

Thursday had us all being athletes from different countries. Our own style of the Olympics was enjoyed by everyone. We made flags and designed a logo. We did shotput underarm, fast walking and discus with plates. Then ended our holidays in style with PJ's, movies and fish n chips for lunch! Another successful Holidays finished!!

## QUOTE OF THE MONTH

## WHATS COMING UP

For the remainder of the term the children will be busy with Olympic week, relay races, touch rugby, mini foam fingers and trophy making.

Followed with racing week, involving Tic Tac Toe. Surely a race track is needed BRMM BRMM. As we roll into week 8 with circus week we will enjoy, tight rope walking, popcorn art and rolling a clown. Finally finishing the term with Spring week, a nature hunt, Rainbow Jumping and lots and lots of fun.

Teah and I would like to say it's been an awesome term and look forward to the rest of the terms activities with all the children

## VENUE NEWS

Exciting times has been had by Emma Lamer as her name was pulled out of the draw bag for star of the week. Emma chose a bug catcher! With this Emma and her friends caught a caterpillar. With the help of her Mum at home they were able to keep this caterpillar alive and watch it transform. Here are some amazing Photos of that process. Photos sent by Ashley, Emma's mum.
