

BUSY BUMBLES NEWSLETTER – DARFIELD TERM 2 2016

WELCOME

Welcome back to term two!

This term has been filled with fun and games. Our venues have certainly made the most of the lovely weather we have had recently, with outdoor games and activities for children and staff. Have a look at our term overviews, which are displayed at each venue, to see what we have in store for the rest of the term. We have heaps of fun games and crafts planned to liven up the winter weeks.

I was very pleased to present our most recent staff award and Westfield voucher to our wonderful West Rolleston staff member Leigh. Well done Leigh and thank you so much for the outstanding job that you do!

Choosing a staff member to receive this award is always an extremely difficult decision, as we are so lucky to have so many awesome people as part of the Busy Bumbles team.

This term has also been busy, as we recently opened our tenth venue at Oamaru. We are super excited to be able to offer our services to the local community there and look forward to hearing about all of the fun things they get up to!

As always please don't hesitate to contact me with any feedback or queries, as I always love hearing from you all.

Stay warm and enjoy the rest of the term.

SCHOOL HOLIDAY PROGRAMME

Brrrrrrr with the recent cold snap we are certainly making plenty of provisions for inside fun in the upcoming school holiday programme 11th – 22nd July.

We hope your children come away having had fun, and maybe even learnt something new! We will be celebrating France on their French National Day on the 14th. Oh la' la! Along with a trip to Inflatable World, a colouring in competition, our very own Busy Bumbles Olympics, an Outing to a Pinocchio Production to name a few, I'm sure these holidays will be the talking point of all the children when they return to school.

Further information will be emailed to you soon, ensure to book in for some Holiday Fun!

Overviews can be viewed on our website next week.

WHATS BEEN HAPPENING

We have rotated some of our toys and games. A lot of the children have been so pleased with this, as all that they want to do after school is play bay/blades and have mini competitions with each other.

The girls have been making bracelets with the loombands and beads. Also sand creations in a bottle have been a big hit. We have also made the most of the lovely weather we have had recently, with lots of games outside.

WELCOME TO NEW FAMILIES

Sending out a big fuzzy warm welcome to all our new children and families.

WHATS COMING UP

Preparing for Winter. We can now see snow on the Mountains and had our first frost this year!

Winter Wonderland week looks amazing and we are all very excited to make the Winter crafts we have in store. Royal week and construction week look heaps of fun and we have some yummy treats to look forward to on those days too! Fairy Tale week is always great, we can let our imaginations go wild and get creative. One of everyone's favourites is food week, which is at the end of the term. Yum!!

We are looking forward to seeing you all and putting some fun into the Winter weeks at Busy Bumbles.

HOLIDAY PROGRAMME

The holiday programme was thoroughly enjoyed by all. A few of the things we got up to were, Wheels & Wings, Ghostbusters, Angry Birds, A Park outing and Ice Cream Parlour day. The children really got stuck into the teamwork activities like making a car, a proton pack and relay races. And lots lots more! We can't wait to see what the next holiday programme has in store for us and are counting down until the overviews come out!
