

BUSY BUMBLES NEWSLETTER – WEEDONS TERM 3 2016

WELCOME

With Spring just around the corner, our children and staff are starting to look forward to the upcoming school holidays. Let's hope for some good weather!

Our recent staff scavenger hunt was a great success. Everyone got into the spirit and had an absolute blast! As you will see from photographs, we have some great sports on our team. The bumble bee onesies were a highlight! I was so impressed by the team spirit and enthusiasm the Busy Bumbles staff showed. They are the best!

Our venues raised \$216 for Shine from parent donations, which was wonderful! Busy Bumbles also made a donation at our Scavenger hunt. Thank you so much to all of you who showed your support, it was very much appreciated by the team at Shine and Busy Bumbles. We certainly plan to make our scavenger hunt an annual event!

We have some great activities planned for the rest of the term. Don't forget to have a look at the term time overviews, which are displayed at our venues. 😊

Keep warm and enjoy the rest of the term everyone.

Warm regards

Oscar Manager

WHATS BEEN HAPPENING

It's been an exciting term, full of activities and fun for all of us! Giant games week started the term, with week 1 bringing a giant amount of fun and challenges, with all the games we love the most on an enormous scale. During Mini beasts week, we created wonderful beasts and the result was nothing but impressive! The music week on week 3 brought some musicality to our venue, from song and instruments creation to dancing games. The best part of the feather, fur and hair week was the creation of different styles of colourful, crazy hair with crafts. Then we moved to spy week, which we had a blast with during the spy laser obstacle competition. Through the weeks we were rewarded with stunning days of great weather, where we could spend some quality time outside, enjoying various activities in the playground and at the school field.

HOLIDAY PROGRAMME

We definitely enjoyed the holiday programme this term, based in the West Melton Community Centre. Favourite days included the Inflatable World trip, where we had lots of fun at that impressive arena with several options of games for all ages. The Pinocchio play was something fascinating, especially because of the lesson behind the magical story that never gets old. The cafe day was well appreciated due to the opportunity to get outside the venue and grab a yummy hot chocolate during our cold winter. At our venue, we also had diverse types of games, crafts and fun to enjoy the holidays in a busy, but relaxing way.

QUOTE OF THE MONTH

WHATS COMING UP

We still have heaps of fun ahead this term. Olympic games are over in Rio, but starting at Busy Bumbles, with lots of awards and our favourite Olympic athletes competing for the gold medal. The racing week is expected to be fun for car lovers and will bring some velocity and entertainment to our venue at week 7. Then we'll move to the Circus week, full of fantasy, costumes and magic, that only the circus environment could bring. Spring inspires the last week of the term, promising lots of games and activities with crafts and outside fun! Yay, this is going to be exciting!!

VENUE NEWS

This term we have a couple of changes to our staff. We said 'see you soon' to Jasmin who's leaving the Supervisor position to go on paternal leave. Luana Coelho is taking over the position and Emma Sutton is the new Assistant Supervisor. We are committed to keeping the excellent job Jasmin has done through this whole year, with equal dedication, kindness and energetic ideas to complement our weekly activities.
