

BUSY BUMBLES NEWSLETTER — WEST ROLLESTON TERM 2 2016

WELCOME

Welcome back to term two!

This term has been filled with fun and games. Our venues have certainly made the most of the lovely weather we have had recently, with outdoor games and activities for children and staff. Have a look at our term overviews, which are displayed at each venue, to see what we have in store for the rest of the term. We have heaps of fun games and crafts planned to liven up the winter weeks.

I was very pleased to present our most recent staff award and Westfield voucher to our wonderful West Rolleston staff member Leigh. Well done Leigh and thank you so much for the outstanding job that you do!

Choosing a staff member to receive this award is always an extremely difficult decision, as we are so lucky to have so many awesome people as part of the Busy Bumbles team.

This term has also been busy, as we recently opened our tenth venue at Oamaru. We are super excited to be able to offer our services to the local community there and look forward to hearing about all of the fun things they get up to!

As always please don't hesitate to contact me with any feedback or queries, as I always love hearing from you all.

Stay warm and enjoy the rest of the term.

SCHOOL HOLIDAY PROGRAMME

Brrrrrr with the recent cold snap we are certainly making plenty of provisions for inside fun in the upcoming school holiday programme 11th – 22nd July.

We hope your children come away having had fun, and maybe even learnt something new! We will be celebrating France on their French National Day on the 14th. Oh la' la! Along with a trip to Inflatable World, a colouring in competition, our very own Busy Bumbles Olympics, an Outing to a Pinocchio Production to name a few, I'm sure these holidays will be the talking point of all the children when they return to school.

Further information will be emailed to you soon, ensure to book in for some Holiday Fun!

Overviews can be viewed on our website next week.

WHATS BEEN HAPPENING

Busy Bumbles West Rolleston has been very busy, both before school and after school. We have all joined in with learning about the Wonders of the World! We especially loved making Rice Krispie Stonehenges! Puzzle week was fun! We made our own puzzles and created brain teasers to test our friends! During transport week, we turned a wall into a town with roads! We loved drawing towns and then we put all of our artwork up on the wall and they all joined together to create a town!

WELCOME TO NEW FAMILIES

Sending out a big fuzzy warm welcome to all our new children and families.

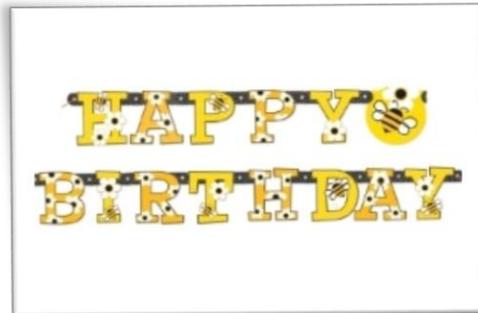

May your time with us at Busy Bumbles be busy and fun!

We are thrilled to welcome Leigh into the Assistant Supervisors role and we know she will do an absolutely amazing job. We are all looking forward to the rest of the term and to try the great activities we have planned. We also would like to acknowledge the hard work that the ladies in the office do to ensure that we all enjoy Busy Bumbles!

WHATS COMING UP

The rest of this term is filled with fun! As the days are getting colder we are going to be making the most of it with a Winter Wonderland Week! We will be creating winter art including snowflakes, snowmen and penguins!

Queen's birthday is around the corner so let's celebrate with a Royal week! We will look the part with crown making, and castle making!

We love making and creating here at Busy Bumbles, so we will be going wild making huts, and stick houses! Let your imagination go crazy! Towards the end of the term we will be creating our own fairy tales, with princesses and dragons! And to finish the term off, we are looking forward to food week! Yum!

HOLIDAY PROGRAMME

Wow! Holiday programme was a fun filled time! We got up to so many things! We created our own robots, created ghostbuster appliances. We made our own ice cream and had a movie and PJ day. Our wacky day was fun! We arrived in wacky outfits and had wacky hair, it was a wild and wacky day! Bubble day was cool! We made human bubbles and we all took turns at fitting inside a bubble! Who would have known bubbles could be that big!? And do you know that you cannot say 'bubbles' in an angry voice? We all tried! We loved meeting new friends and learning new skills whilst having tremendous fun!

Wow, we can't wait to see what the next holiday programme has in store!
