

Holiday Programme Information for BB Parents

January/February 2021 School Holidays

Thank-you for choosing the Busy Bumbles Holiday Programme for your child(ren).

We have so many wonderful activities planned and know they are going to have a fabulous time with us.

Our staff are really looking forward to having all the fun with your children too!

Below is some information you will need for this Holiday Programme:

- Please ensure your child brings their own snacks and lunch (just like they would for school).
- Please ensure they have drink, jacket and comfortable clothes.
- Please ensure that your child applies sunscreen each morning before attending the programme. If your child requires a specific type of sunscreen, please provide this as we reapply throughout the day. All children require a sun hat to play outside.
- Please ensure all clothing and other items brought to BBs are clearly named.
- **Many of our activities involve working with different materials and preparing and eating different foods. Therefore, it is crucial that our staff are aware of any food allergies and/or dietary requirements. Please advise upon enrolment and also speak directly with the venue staff on your first day of attending.**
- If we are closed due to snow/earthquake/government advice (e.g. flu pandemics), parents and carers will be informed by email and there will also be notification on our Facebook page.
- The cost of our Holiday Programme, per child per day, is as follows. Occasionally it is necessary for us to add a small additional cost to cover special materials or treats for the children:
 - School Hours Day – 8.30am-3pm - \$40
 - Full Day – 7am-6pm - \$50

Your child(ren) can be dropped off/collected anytime between the session times specified above.

- Overviews detailing the activities that are scheduled for each day can be found on our website
